### BESOM'S BAYSHORE STAKES.

HAS NO TROUBLE IN SHOWING THE WAY TO HIS OPPONENTS THROUGHOUT.

Bedouin Wins, but Finishes Lame-Brighton Beach's Abandoned Dates Turned Over to the Queens County Jockey Club.

New York, September 15.—Roseben, once the greatest sprinter on the turf, emerged from the race for the Bayshore Stakes at Gravesend today a badiy beaten horse and on the verge of a complete breakdown. He was ridden by stable lad hamed Holmes, the stable lad hamed Holmes, and the best jockey in the world been astride him. The best jockey in the world been astride him. The winner turned up in Beson, a James R. Keen casteff and a pronounced favortic. Besom encountered in the world been astride him. The winner turned up in Beson, a James R. Keen casteff and a pronounced favortic. Besom encountered on serious opposition during the running and won off finally. Westbury outgamed Roseben for second place. The famous old campaigner limped perceptibly as he trotted back to the stewards' stand, and during the process of unsaddling kept his injured lie off the ground to ease the pain.

He condensed history of the Bayshore Stakes since 1900 is as follows:

Jockey Val. Time. 1901 The Musketeer3 104 Shaw . 1.340 1:103 1901 The Musketeer3 104 Shaw . 1.340 1:103 1901 The Musketeer4 110 J. Martin 1.550 1:112 1902 The Musketeer4 110 J. The sport began with a five and a half furlongs sprint for two-year-olds, in which a star fuvenile. Fitz Herbert, and five others of good calliber were engaged. This race resulted in the closest and most exciting finish of the afternoon, between Fitz Herbert and Wise Mason, the former just lasting long enough to gain the decision by inches. Mr. Hildreth remarked, while being congratulated on the game manner of his colt's victory, that he was satisfied that the high-ariced youngster had fully recovered his brillian form and three-quarter furl

to get up and win right in the last stride. Danoscara finished a close and persistent third and displayed improvement.

The best field of the day was engaged in the mile and a quarter handicap. Old Bedouin carried top weight and, by virtue of his superior class, van quished six others, including the recently purchased fretma Green, which was making his first appearance in the colors of A. Simons, his new owner. Bedouin ran in the ownership of John Huggins. He pulled up very lame after today's good race, and the metropolitan turf may have seen the last of the noted Meddler gelding, on account of other infirmities growing out of having been nerved in the spring. Imitator graduated without urging from the maiden three-year-old ranks in the closing race at a mile and an eighth. James R. Keene's beautifully bred filly, Anonyma, was on her very worst behavior and, after throwing her jockey, whirled around at the barrier's rise and was left standing still. Anonyma, which seems incorrigible and absolutely worthless as a racing proposition, was immediately placed on the schooling list.

The same encouraging betting conditions which wasted the opening day of the Procelling Roles.

the schooling list.

The same encouraging betting conditions which marked the opening day of the Brooklyn Jockey Club's fall meeting prevailed today. Persons making oral wagers were not bothered. There were no

oral wagers were not bothered. There were no arrests nor was there any disquieting police espionage in evidence and the property of the news from Saratoga that Governor Hughes had been nominated to succeed himself created a thrill of exclement among the 4,000 race-goers at the track today. It had been expected and no one was surprised. Everybody had hoped that some other man would be nominated, but now that Hughes is to be the issue they are confident of defeating him for re-election.

The stewards of the Jockey Club held a meeting during the afternoon at which the required permission was given to the Queens County Jockey Club to take over and race the six days originally allotted to Brighton Beach in October over their own course at Aqueduct.

to Brighton Beach in October over their own course at Aqueduct.

Phillip J. Dwyer asked for the Brighton Beach dates and got them. There is a strong probability that the Aqueduct authorities will not hold their originally scheduled two-weeks meeting in November. An effort will be made not to conflict with the coming meeting at Phillico. According to Mr. Dwyer there will be no racing in New York while the races at Baltimore are going 60.

H. K. Knapp will send H. Smith. his promising apprentice jockey, to the coast to ride during the winter. A. G. Blakeley will have charge of the colored Boy.

J. H. McCormick, when asked if he knew any horsemen who expected to race in California this winter, replied: "Yes, everybody that can get there."

T. C. McDowell will shortly ship Berwick, King's Daughter and a half dozen other racers to Oakland. Amos Turney has also announced that he will ship his string, including Martin Doyle, in time for the compine.

#### RACING PROBABLE IN ARKANSAS.

Hot Springs, Ark., September 15.—Yesterday's elective results in the state of Arkansas, by which the Democrats scored sweeping ylctories over opponents with restrictive reform tendencies, gives to horsemen substantial hope for an early resumption of racing in Hot Springs. It is more than probable that Judge O. H. Sumpter, elected senator from Garland County, will introduce at the next convening of the legislature a bill having for its object the repeal of the Amis law, which put a stop to racing on Hot Springs. Since the passage of the law Senator Annis, its author, has died, and a general change in sentiment towards racing is noticeable, hence it is thought that but slight opposition will be encountered in an effort to secure a repeal of the Amis law and the securement of favorable legislation. If successful, it is expected that a meeting for Oaklawn will be announced during the latter part of February and will be of sixty days' duration.

## PRISCILLIAN'S ENVIABLE RACING RECORD.

One of the notable horses of the year is August Belmont's three-year-old, Priscillian. Just how good he really is no one can say, because no horse he has as yet been opposed to has come near taking his measure. He may be a real phenomenon. He was meant to be sent to England as one of the batch of youngsters that included Norman III. and had not accident prevented his shipment might have

proved a sensation there, as he certainly has here. Priscillian did not start as a two-year-old, and made his debut in racing in a purse race for maidens at Jamaica. May 6. He went to the post a 6 to 5 favorite and won by three-quarters of a length from Peter Quince in 1:124 for the three-quarters of a mile. His second race was at the same track May 12, at a mile and a sixteenth, which he won in a canter by five lengths in 1:473, with 119 pounds up. Zienap was second, Killierrankie third and three more unplaced. His next start was for a purse at the same distance at Belmont Park, May 14. Again is won off by himself, with Berkeley second and D'Arkle third. Time, 1:474, and weight 117 pounds. May 22 was the occasion of his first stake race. This was in the Claremont Handicap at six and oreinalf furloags. With 111 pounds up he won by a length and a half from King Cobalt, with Rosehen third. The track was muddy and the time 1:21; At Sheepshead Bay, June 29, Priscillian made his reappearance on the track after a considerable absence. This was in a mile dash, in which his anazing speed was signally manifested. Carrying 168 pounds he won pulling up in 1:374, and could plainly have far eclipsed the present mile record had be been sent along. His opponents were Peter Quince, 163; Far West, 165; Robert Cooper, 106, and Jubilee, 163. Xext he was started in his first race of great importance. This was the rich Commonwealth Haadicap of a mile and a quarter at Sheenshead Bay, July 4. The track was muddy. Priscillian had an 109 pounds and, taking the lead on the backstretch, July 4. The track was muddy. Priscillian had an 109 pounds and, taking the lead on the backstretch was muddy. Priscillian had an 109 pounds and, taking the lead on the backstretch, drew away and won eased up by two and a haif lengths in 2:963. Firestone, 109 pounds up, was second; Royal Tourist, 104, third, and those unpiaced were Master Robert, 98; Gold Lady, 105; Gretaa Green, 119; Frank Gill, 115; Montgomery, 114; Old Honesty, 99, and Running Water, 11

#### MEXICO AND FUTURE MEXICAN RACING.

New York, September 15.—John G, Follansbee, who recently landed in New York from Chilunahua, believes there will be good racing at the City of Mexico before many years. The people of Mexico want the sport and the City of Mexico, with its wealthy population of nearly, if not quite, 409,000 inhabitants, is competent to support first-class racing.

meating population of nearly, it not quite, 400,000 inhabitants, is competent to support first-class racing.

During the last ten or fifteen years hundreds of thoroughbred mares and stallions have been shipped over the Rio Grande and they are slowly establishing a breed of Mexican thoroughbreds. Mr. Folianshee believes that fine racing can be built up in the city of Mexico by Mexicans themselves.

But nothing, he thinks, would kill the chance of doing anything quicker than an effort on the part of the outside adventurers to exploit Mexico to their own advantages, as several American cities have been exploited by other than local interests.

The only possible way to firmly establish racing anywhere is by interesting local capital and, local pride. They have some racing of the bush variety in Mexican towns throughout the year and the people enjoy the sport hugely. The Mexicans are inverence gamblers. They like to keep their money going, and when they cannot circulate it through the medium of racing, they do so by cock fighting.

#### WILD STORIES ABOUT NEW ORLEANS RACING.

The jist of various "news" despatches from New Orleans declares that the City Park and Fair Grounds race courses, when they open the first week in December under the "memory system," will be operated through holding companies controlled exclusively by local capital, was the statement made today by a party interested in both tracks. It is stated that most of the local men who own stock in the jockey clubs were of the opinion that it was necessary for racing to be purely a local proposition next winter in order for it to even attain the success in previous years. It is said that when the two lockey clubs are reorganized, that the officers will all be local men, and that the tracks would be local enterprises in every sense.

The "local men in control" idea is pure fiction and probably comes from President Heaslip. Mr. Corrigan, who was in Chicago vesterday, did not know anything about turning over what interest he has in City Park to any New Orleans people and did not believe that there was any truth in that part of the New Orleans story. Mr. Corrigan knows nothing definite as yet about New Orleans racing to come, but said that there will be racing there without doubt.

#### MORE STAKES FOR SANTA ANITA.

Dr. J. S. Gardner, manager of the Los Angeles Racing Association, arrived in the city vesterday to transact some private business. Discussing California racing for next winter, Mr. Gardner predicted that it would be the greatest season ever experienced by the coast tracks, "One corn for the present," said Mr. Gardner, "clat o care for all the horsemen that have expressed their willingness to race in California this winter. In the absence of definite news regarding the probable of the New Orleans tracks, many horsemen are planning for a California campaign, Their increased numbers will serve to bring to the coast the best horses in training and insure splendid racing. The additional number of race-goers that will be on hand from eastern points will increase the twenty of the sesociations to a great extent, but a goodly portion of the money will be turned back, to horsemen in added money and purse offerings. The Santa Anita track will add six stakes to its former list of fourteen. They will probably range in value from \$1,500 to \$5,000 and be conditioned so as to attract a good list of entries. Some of the overnight races will also have increased values." Mr. Gardner will shortly depart for Los Angeles.

#### JACKSONVILLE, FLA., TRACK TO BE BUILT.

New York, September 15.—From all indications Florida will have plenty of racing the coming winter season, and if the plans of both the Jacksonville and Tampa promoters are carried out, there may be more than is necessary or advisable.

The Jacksonville project now is said to be an assured fact with T. D. Sullivan and his associates and announcement has already been made of a two-months meeting at Tampa, opening February 3.

It is declared here to be the Sullivan plan to build and equip the race track at New Buffalo, Mich., and get it in operation while the Jacksonville plant is being made ready for racing. Then late in November or early in December the Jacksonville track will be opened for a sixty-day meeting. The horses which race in Michigan will be moved there in a body in addition to many eastern horses and those of the Texas circuit. Should New Orleans condict with the Jacksonville meeting it is said there will be enough horses for both meetings. Here, however, it is not thought that there will be much racing at New Orleans.

#### SOUNDS LIKE RACING AT LEXINGTON.

Lexington, Ky., September 15.—The racing strings of Edward Corrigan, Pat Dunne, Ed Alvey, H. R. Baker, W. H. Fizer & Co, and Gene Lutz arrived at the Kentucky Association track today. All shipped in good condition. Jockeys T. Taylor, V. Powers and Skirvin are here and Jimmy Butler is due tomorrow.

Powers and Skirvin are here and Juniny Butter is due tomorrow.

The pari-mutuel machines arrived from Latonia this morning and will be put in place by Eugene Elrod tomorrow. The track is deep in dust, but the sprinkling carts will be kept upon it constantly mill the opening of the meeting Saturday.

The best work-outs this afternoon were: Irfaneh, five-eighths in 1:01½; Roseburg II., same distance in

#### RICHARD CROKER GETS AN IRISH JOCKEY.

London, Eng., September 5.—Americus and Re-nublic, recently sold by Richard Croker to the Ger-man government, were shipped to their new quarters yesterday.

The Turf Club Cup at the Curragh yesterday at-tracted a field of five, and was won in a canter by two lengths by Mr. R. Croker's Rhodora, which started at 8 to 1 on, St. Grisilda and Bachelor's Chance being second and third. S. Donoghue rode Rhodora. He has ridden eight winners at the Cur-ragh meeting and has been signed by Mr. Croker for next season. Mrs. S. Jackson, owner of Ve-locity, has second call on Donoghue.

The Meadows track at Seattle is one of the fastest in the country and, since it chanced that some very speedy borses were raced there in the course of the recently closed meeting, most of the previous track records were smashed and ontic a considerable invasion of the exclusive field of American records was made besides. All but four of the former track records were changed, and the present list of track records were changed, and the present list of track records is as follows:

#### ANSWERS TO QUERIES.

[Communications without names and addresses of senders will not be answered or noticed; nor will any answers be sent by mail.]

G. K. and C. H. K., Cncinnati, O. It lost, Joe B., Chicago. The wager on Sparkles lost. A. E. R. and H. A. A., Indianapolis, Ind. It was Lally in the second race.

E. F., Toronto, Ont. It is a case in which the booker's rule would govern. W. J. M., Toronto, Ont. Having accepted the wager, the bookmaker should pay. No reply by

mail. H. M. B. Denver, Col. Not definitely determined. but probably at all of the tracks of any conse

quence, as in the case of Austin now. D. F. M. Cloisteress and Waterbury constituted the Carman entry and the bet won. A single horse of an entry starting is sufficient.

Jas. M., Cincinnati, O. There being no separate place price against Green Seal, the parlay was void as to him and stood as to the other horse or horses. C. R. W., Windsor, Ont. Weights are at the bettor's risk and an error in number of pounds given has no effect on a bet. An error of that kind is as apt to favor the backer as the layer.

W. K., Chicago. When a stipulation is made that a named horse is to go the bet is a draw unless that horse runs. In your case it was stipulated "Miss Catesby to go," and when she was scratched, the bet immediately became a draw.

#### NOTES OF THE TURF.

Jockey Pickens will ride free lance at Lexington. G. R. Tompkins will ship his horses from Montreal to Belmont Park for the racing there.

P. T. Chinn will take John Carroll with him to the coast and race the good Corrigan campaigner this winter.

Edward Corrigan was a brief visitor in the city vesterday, having come from Lexington, for which point he departed last night.

It is seldom that so shrewd a horseman as Pat Dunne fails to land a purse during an entire meeting. This was his experience at Montreal, The Windsor Hotel management of Montreal, Que., will donate a gold cup valued at \$1,000 to one

of the stakes or handicaps to be run next spring at Blue Bonnets. It was recently rumored in New York that Paul Rainey was about to give up racing in this country, but his trainer, William Garth, had heard nothing

The Montreal Hunts Club will hold a two-day race meeting at Blue Bonnets October 1 and 3. Rules of the National Steeplechase and Hunt Association

Since the transfer of Gerrymander to L. Calm by L. A. Cella, the colt has won six races. He has proven a profitable investment and more than repaid the \$1,500 purchase price.

John Huggins, who trains Mediant for H. B. Duryea, says that she is a good filly, but declares that she does not compare with her dam. Ballantrae, which he trained in England for her big races

W. E. Applegate, Jr., arrived yesterday from Seattle, where he has been making book during the meeting. He reports that the racing at Seattle was of good quality and successful in every particular. Taylor

who was reported murdered some Paterson, N. J., was a visitor at Montreal during the race meeting. He is not actively connected with racing any longer.

C. J. Fitzgerald stated while in Montreal that owner Engeman would not be at all averse to leasing the Brighton Beach track for racing purposes, but would not conduct any future meetings there himself.

L. A. Cella's string of racers was shipped from Montreal to Fort Erie to join the band that had been quartered there since the close of Fort Erie. The entire lot will be shipped shortly to Louisville

Charles F. Price, who will be the presiding judge at Lexington and Douglas Park, Louisville, is at

present at French Lick Springs, Ind. John Hachmeister and his assistant, Harry Breivogel, are also at the same resort. The trio will leave for Lexington on Friday next.

Clifton Forge, which has been a consistent money-earner for J. U. Strode, will probably finish his career in the Canadian National Breeding Bureau. There is a movement on foot to add him to the list of stallions now being apportioned to farmers in the province of Quebec.

The Jamaicans have at last come to the facts in the case, as this despatch from Kingston will show:
"The reported scheme of Americans to control horse
racing here has dropped through, it being impossible to raise the necessary capital in the United States. Furthermore, Jamaica is a little too far from America for the plan to prove a success.'

Edward Alvey's Prince Ahmed, which has been resting since the Latonia meeting, will be put in training for a campaign at Louisville. Hazelthorpe and McChord, which were also turned out, will be fitted before shipment to California. Colonel Bob came through his firing process in excellent condi-tion and will be a troublesome customer for the short-distance racers to tackle during the winter
